

**DISTRICT OF COLUMBIA
COMMISSIONED OFFICERS ASSOCIATION (DC COA)
UNITED STATES PUBLIC HEALTH SERVICE**

District of Columbia Commissioned Officers Association

CDR Chris Wheeler

**Member-at-Large – Pharmacy
Category**

CDR Wheeler serves as the DC COA Member at Large for the pharmacy category. This is his first term on the DC COA Board of Directors. He previously served as Co-Chair of the DC COA Facebook subcommittee for two years.

CDR Wheeler is currently the Chief Project Manager for the Division of Medical Policy Programs in the Office of Medical Policy at FDA, where he oversees a multi-disciplinary team responsible for projects related to review of patient labeling documents and medical policy initiatives. CDR Wheeler previously worked as a Project Manager and Team Leader in the Office of Surveillance and Epidemiology at FDA.

CDR Wheeler received his PharmD from the University of Pittsburgh in 2002. Upon graduation he spent six years in the private sector working in both retail and specialty pharmacy settings. He was commissioned into the USPHS in June of 2008. CDR Wheeler obtained the Regulatory Affairs credential in 2017 and is currently working towards a Masters in Public Health at Liberty University.
